

Leo Boscolo

Nationality: Italian, Date of birth 14th April 1976

Languages: Italian , English, basic Spanish

Single, Non-smoker.

Italian Mobile : + 39 3474459350

Profile :

Fond of sailing since I was young. I started working first a skipper on small boats sailing in a several regattas. I turned to yachts of greater dimension, at fist as a deckhand and then as a Captain. I feel easy in team work and I have no problems in crew management. During these years I gained experience both in regatta yachts and in charter yachts. I have experience in electrical equipment, hydraulic, boat repairs, sail making, running rigging, deck layout. I'm interest in electronic instruments systems, navigation software and meteorology. I sailed all major regattas and races in the Mediterranean sea: Maxi World Championship, Giraglia Rolex Cup, Middle Sea Race, Voiles de St. Tropez, Trofeo Pirelli, Trofeo Zegna, Chartago Rome –Tunisia.

I am currently seeking a full time position but also available on a temporary basis for deliveries, sea trials, EU clearance trips or cover for vacation periods. Over 18 years experience as captain covering eastern-western Mediterranean, US and Caribbean.

Skill Set.

- Professional route planning of worldwide cruising grounds, ocean passages and port to port
- Excellent communications and liaison skills with crews, owners, management companies, charter companies, port authorities, governmental departments, shipyards and yacht repair facilities.
- The implementing of ISM & MLC codes, yacht procedures, maintenance programs, accounting and the training of yacht crews of all nationalities to the highest levels.
- Excellent navigation skills
- Excellent knowledge, contacts and experience of the worldwide charter industry and its high standards
- Excellent knowledge and experience in yacht construction, yacht surveys, Project management, registration, marine insurance, maritime law, and financial structuring
- Excellent knowledge and experience in working with yacht design teams and construction teams with composite materials
- The implementing of various class regulations and flag state codes

My object is to secure a permanent full-time position on a sailing yacht as Captain

or Officer, a position that gives me opportunities for improvement and advancement in my career.
