

M/Y BEYOND I

17th July 2018

LETTER OF REFERENCES

To Whom it may concern

Mr Walter Ferramosca was the Captain of M/Y Beyond from May 2016 to June 2018.

M/Y Beyond is a fully renovated Rizzardi 28 meters planing boat which hosts 4 crew members. Captain Walter chose and managed the crew members himself.

Captain Walter was a competent Captain who made the time spent on the boat by me and my family an enjoyable experience. Captain Walter was safety conscious and always careful with money. His timekeeping was excellent.

Unfortunately Beyond suffered some serious mechanical issues which meant the boat was unusable from August 2017 until May 2018.

I wish him the very best for his career.

Kind regards
