

## M/Y Rosinha

Captain Hook Sailing LTD  
O'Neal Marketing Associates Building,  
2<sup>nd</sup> Floor Wickham's Cay II, Road Town  
Tortola, British Virgin Islands

This is a letter of reference for Captain/Engineer Walter Ferramosca  
I have worked with Walter for 4 years from July 2020 to September 2024 with him onboard the MY  
Rosinha that is a Benetti '95

Walter supervised the final construction of the boat and completed the 2 years period of warranty  
with Benetti.

He was on board as Chief Officer/Engineer but, some times, he sailed alone with the owner on board.

During these 4 years he has demonstrated excellent nautical skills and calmness even during sailing  
difficulties which he faced with competence and efficiency both on board and under the boat thanks  
to his underwater skills.

As Engineer he solved a lot of problems with an excellent problem solving attitude also when was  
difficult find spare parts.

Walter has a good disposition and gets along well with crew of MY Rosinha and our guests. Walter  
would be a bonus to any company that is seeking to hire him.

Best Regards,  
Eduardo Penido
